# a little who we are

LtsThink Branding Innovation is a Jeddah-based Graphic Design Agency. We specialize in providing branding and corporate identity, corporate profile, advertisement, presentation and packaging along with the ability to fully engage ourselves in our client's expertise and philosophy.

"we aim to provide a consistent, effective service through  
profound and intelligent design."

Creative Thinking

Initiative

THINK

Branding Innovation

What we do

*We flipped the letter i because our goal is  
to change the way of thinking*

"we work hard. We enjoy ourselves. We exceed expectations, and we DO love great design."

## what we do

We are driven by a desire to do things differently. We have distinctive passion for great design, and we combine it with consumer's behaviors' principles and strategies and that enables us to add real value to our client's brand, which make us capable of identifying with their needs and providing them the best design services better than most.

***We want to know more***

We spend time understanding our clients because nothing beats great insight. We look at the nature of their business, the industry, their competitors, their customer needs and behaviours and other factors that makes them tick.

# HOW WE LOOK INTO THINGS

***We truly care about you***

The way we think affects the way we look at problems and reach creative branding solutions. Having a clear understanding of our clients, their motivations, the media and channels they are exposed to, is important to proceed efficiently.

# our key service offering

## ***Branding & Corporate Identity***

From logo design to business cards to letterheads and flyers. Whether you're looking for something as small as a sticker design or as large as a billboard design. We can happily assist

### **Corporate Profile**

We are capable of providing you an impressive company profile that reflects your company and its services at a glance.

Design  
is thinking made visible

**Advertisement**

We will always give you the best in creative design and communication through appealing and well executed advertisements.

## Presentation

We can communicate your objective into stunning and comprehensible presentation to achieve your goals, because we know that first impressions matter. Whether it was a proposal or making a business case, we can use from slides to video to give you great presentations.

our packaging design process pays equal attention to fundamental criteria to have that final effective packaging, from functional and interactive to eye catching packaging design.

our packaging design process pays equal attention to fundamental criteria to have that final effective packaging, from functional and interactive to eye catching packaging design.

# why LtsThink

## ***WE PROMISE.. WE DELIVER***

You will get your project on time.

## ***WE HAVE ADVANCE DESIGN TECHNOLOGY***

You will receive a smart design that has been analyzing to ensure your client visual attention were obtained in 3-5 seconds, which means your message get noticed.

### ***WE ARE AFFORDABLE***

You will get proficient design services at a competitive rate compared with other agencies out there.

### ***WE UNDERSTAND YOU.. WE CARE***

Your design project needs and requirements to generate sales, enquiries, awareness, data collection or any other required response is totally understood.

### ***WE ARE HAPPY TO CHAT***

You will have a smooth and stress-free process and will enjoy the whole experience.

### ***WE DELIVER ACTUAL RESULT***

You will have a well thought out design that has a measurable and positive impact for your business.

### ***WE MAKE YOUR JOB EASIER***

You will be informed about your project progress with our intelligent system at every step of the way.

## JUICING VS BLENDING

• Separates juice from pulp + fiber

### BENEFITS

- Better absorption of vitamins, minerals, phytonutrients.
- Juices are easy to digest.
- With out the fiber you can pack more fruits + veggies in.

### BEST FRUITS + VEGGIES TO JUICE

- Apple
- Pineapple
- Beets
- Carrots
- Cucumber
- Celery

### JUICER OPTIONS

- Centrifugal
- Masticating
- Twin-gear
- Hand-crank

• No Pulp Removal + No Separation

### BENEFITS

- Full of fiber, supporting digestive health and in elimination.
- Satisfies hunger + sustains energy.
- Balances blood sugar

### BEST FRUITS + VEGGIES TO BLEND

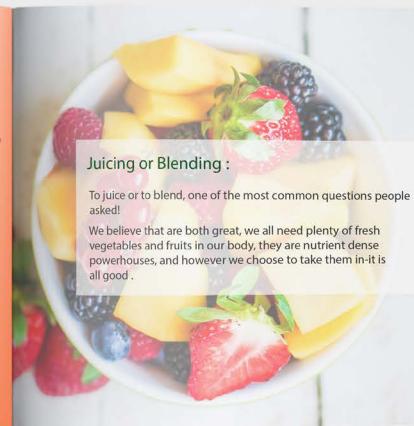

- Banana
- Mangoes
- Berries
- Spinach
- Avocado
- Microgreens

### Juicing or Blending :

To juice or to blend, one of the most common questions people asked!

We believe that are both great, we all need plenty of fresh vegetables and fruits in our body, they are nutrient dense powerhouses, and however we choose to take them in-it is all good .

<b>CHINESE CORNER</b>		<b>SALAD</b>
